## About Cliff Island

Phew! You made it up all right! **Mālō e lava mai**  
Welcome! To Motu Lilifa (Cliff Island).

This island is influenced by Tonga. How much do you know about Tonga?

‘In Tonga, it’s illegal to conduct business, play sport or even do chores on a Sunday. There are a few exemptions to this, mainly for tourist resorts. Otherwise, most of Tonga shuts down on Sunday in favour of family, church, resting and eating.’

‘Tongan people value their relationships with one another and are very family oriented. Even though there are no western chain restaurants or chain stores (such as McDonalds) in Tonga, there are no homeless people either. Everyone has a home because the Tongan people take care of one another.’

## What is your challenge to complete in this island?

To collect the financial knowledge from Motu Lilifa (Cliff Island), you need to complete the challenge about ‘KiwiSaver’.

In the challenge, you need to answer at least 8 questions correctly about KiwiSaver to pass the challenge.

If you need help answering any of the questions, there is an additional resource link next to the question that will contain the information to help you answer that particular question.

Please ask your teacher to mark your answers and if you don’t get 8 questions correct, you need to try them again.

**Talamou̯ atu!**  
*Good luck!*
