About Reef island

Omai!

Welcome to Motu Uluulu (Reef Island)!

This island is influenced by Niue. How much do you know about Niue?

'The annual village show day is an important part of Niue culture and there are 14 held each year. Each maaga village showcases their harvests, arts, crafts and food as well as offering other activities, including games or sports. Many Tagata Niue Niue people return from overseas specifically to attend and support their village's show day. It is a celebratory and proud day for each maaga village.'

'Hifiulu Niue haircutting ceremony is a rite-of-passage ceremony reserved for boys, which is often followed by a feast. Traditionally the ceremony marked the transition into manhood of the first-born son, however this ceremony now extends to all sons and may take place at an age that suits the family, often coinciding with the boy's birthday. Guests give a fagatohi envelope with money inside and, in return, they bless the boy and cut a lock of his hair to keep. The boy's family would also gift him a kaho tupe money necklace.'
