

Starter Pack: Challenge 1

A challenge for 6-8 students

Te whai hua - kia ora!

sorted
in Schools

Plan a dance party for your year group.

- ◆ You must complete an Event Planner with proposed expenses.
- ◆ Your budget is the amount of money you have earned through the slides.
- ◆ You can combine your SORTED dollars to meet the challenge.
- ◆ Each group will present their plan to the class who will decide on the best one.

Instructions:

Download and complete the [Event Planner](#) to track your costs and expenses.

Planning considerations:

- Venue
- Lighting
- Security
- Band/DJ
- Non-alcoholic drinks that you can sell
- Food to sell
- Tickets
- Decorations
- Cleaning supplies
- Glass/plates that you can hire
- Advertising/marketing.

Checklist:

- Do some market research to find out what types of food and drink people would be most likely to buy and what sort of music they like.
- Decide how much the tickets will be and how many you need to sell to cover your costs.
- Look for ways to save money.
- Find local options for getting the food, drinks, lights, DJ, and decorations - or alternative options.
